**THANK YOU FOR CHOOSING WHITEWATER EXCITEMENT** for your river adventure on the North Fork of the American River. The North Fork is a 12.5 mile naturally flowing stretch of river with 12 major, class IV+ rapids that will test your paddling skills. The North Fork runs only in the early spring (typically April-May) with the melting snow from the Sierras. It drops through a very steep gorge between house-sized boulders and over waterfalls that reach eight feet in height. Crystal clear water and rapids that seem endless are the trademark of this technical, challenging river. This is one of the most beautiful rivers in the Sierras and should be attempted only by those with previous rafting experience and who are in good physical condition. Wet suits are a must for this trip and included when you raft with us.

**PREVIOUS RAFING EXPERIENCE, GOOD PHYSICAL CONDITION AND SWIMMING ABILITY IS REQUIRED ON ALL NORTH FORK TRIPS.**

## **Example Itinerary**

Meet behind Raley's on Lincoln Way in Auburn. Look for the WWE vans and check in with the staff. After everyone has arrived, we will take about a 20 minute shuttle ride to where we put in. Once arriving at the put-in, our staff will fit you with wet suits, lifejacket (maximum chest size 56 inches), helmet, paddle, safety talk and paddling instructions. Bathrooms are available at the put-in before we get on the river.

Once on the river, there is a short time to learn all the commands before the action starts. Then you encounter the beginning of the Class IV's, starting with "Slaughter's Sluice" a continuous, technical boulder garden that leads directly into "Chamberlain Falls", a large constricted falls. Several more rapids continue with small breaks between them, until you reach Class IV "Bogus Thunder". Depending on the water level, the boats may pull over and the guides scout the rapid to determine the best line. Once past this steep technical drop, rapids continue until your final Class IV, "Staircase Falls." Scouting may also occur at this rapid. After Staircase, we will stop for lunch, after we get back on the river, you will enjoy 9 miles of scenic class II/III whitewater until arriving at Upper Lake Clementine, which is our takeout. The WWE vans will be waiting to take you back to your vehicle with a cold drink and snack.

## What to Wear/Bring

River clothing is very casual and you should expect to get wet!

- Bathing suit/trunks, light-weight, quick drying top (rash guard works well), light weight windbreaker for cool mornings, sweatshirt for cool evenings
- River sandals (strap on the back) or old tennis shoes work great (**NO FLIP FLOPS OR BARE FEET ALLOWED**)
- Hat (optional under helmet)
- Sunglasses (suggest retaining device so they don't end up in the river)
- Waterproof sunscreen and lip protection
- Bottle of water (drinks provided at lunch and end of the trip)
- Inexpensive waterproof camera
- Dry clothes for trip home (to be left in your car).

Wet suits are required due to the temperature of the water. **These are provided to you free of charge from Whitewater Excitement.** Our wetsuits fit those up to 6'4" and/or 260 pounds. Other recommendations in times of cool weather: neoprene/wetsuit booties, wool socks, beanie, wool/polypro long sleeve shirt, rain/windbreaker and gloves. We do not recommend wearing cotton in cool weather as it stays wet and can keep you chilled.

## Additional Helpful Trip Planning Information

### Cameras/Electronic Devices

We do not recommend that you bring anything in the raft that you do not want to lose in the river! We take no responsibility for cameras, phones, sunglasses, etc... that end up in the river. If you would like to bring a camera, we suggest a disposable waterproof and/or panoramic camera.

### Gratuities

Your guides will make every effort to see that your trip is safe, enjoyable and exciting. We are often asked if guests should tip their guides and how much.
